## **Treating chronic pain is topic of February 14 Live & Learn lecture**

WICHITA, KAN. – An estimated 76.5 million Americans age 20 and older report problems with chronic pain, according to a 2006 report from the U.S. Centers for Disease Control and Prevention.

From noon to 1:30 p.m., Tuesday, February 14, learn more about how to treat chronic pain.

Sheryl Beard, MD, will present “Aches & Pains: How to Treat Chronic Pain” at the Live & Learn Lecture at the KU School of Medicine–Wichita, 1010 N. Kansas.

Dr. Beard is the senior associate director of the KU School of Medicine–Wichita Family Medicine Residency Program at Via Christi and Family & Community Medicine clinical assistant professor.

The lecture is free and open to the public.

For more information, call Public Affairs at (316) 293-2643. Audio of each Live & Learn lecture will be available at [wichita.kumc.edu/livelearn](http://wichita.kumc.edu/livelearn) within a week after a lecture is presented. A complete list of lectures is available on the website.

*The KU School of Medicine–Wichita educates doctors for Kansas while improving the health of Kansans through research and innovation.*
